

## GETTING HERE: From Victoria, by car

(Note: You are coming to Canoe Cove Marina, 2300 Canoe Cove Rd. From there, you will take a water taxi to Knapp Island)

### Directions to Canoe Cove Marina from Victoria:

- Take Pat Bay Hwy 17 North
- from Pat Bay Hwy, take the last exit before the BC Ferry terminal (Exit 33: Lands End Road)
- at the top of the off ramp, continue straight through the intersection.
- take your first right after the intersection, which will be Canoe Cove Road
- you will drive down a hill. Take the first left, and then immediately on your left will be a gravel parking lot. You may park anywhere in this lot.
- Parking Pass: Walk back and turn left at intersection and keep to the left side and you will find the Marina Office. Request a free parking pass. If the office is closed, just place a note on your dashboard "Visiting Knapp Island DATE"
- WATER TAXI: The **water taxi is at the top (land end) of Dock E** (as you look at the water, Dock E is all the way to the right). Walk down, past Fox & Monacle cafe (great place to eat or grab coffee, btw). Just look for the vessel that looks like a floating greenhouse!
